

## Spotlight - December 2018

*Christmas Greetings from what must be one of the hottest places on earth right now! Seriously, we've celebrated Christmas in a few hot countries over the years, but all have celebrated in their winter months and never in the heat of their summer, so this is our very first summer December, and truly, it's hotter than hot!*

*We're happy to be able to say that we're settling into our new life and home more and more as the weeks go by, and without a doubt, we can confirm that this has had a great deal to do with the wonderful welcomes we've received from so many people. Here are a few pics from the latest welcome, taken last Sunday at the Living Word on the Rock Church, and where we were treated to a celebration Lovo - we'll leave you to discover for yourself what that means!*

*So, Christmas approaches and the words "It's too early to celebrate" are no longer on so many lips. However, something we're sure to continue hearing are words such as "Bah Humbug" and complaints about the commercialism of Christmas, but in all honesty, we're just thrilled that Christmas is celebrated around the world, for whatever reason, because it presents the greatest opportunity to share the Good News that Jesus Christ wants all to hear! He alone is, and will always be the way, the truth and the life, and it is only through His love and blessing that those who have not yet received His gift of the Holy Spirit will have the opportunity to do so and live eternally without the pain and tribulation they may have had to suffer on earth. So, if you hate the commercialism, try to focus upon this opportunity to be a light in the darkness instead!*

*As always, we provide links to the TLC World messages shared during the past month. November saw Julie, Chris & Jim sharing in the Family Room, so if you missed any of their messages and their topics interest you, just click on the links below to listen.*

- [2. Julie presenting the Holy Spirit's role from Pentecost to today and the meaning for you](#)

*All that remains for us to say now is that we look forward to you continuing to journey with us next year and to wish you and your family every blessing for Christmas and 2019.*

*In Christ,  
Jim & Elaine*

*Glory to God in the highest heaven, and on earth peace to those on whom his favor rests.*

*Luke 2:14*
