

## The Spotlight - September 2019

*Greetings from Auckland in New Zealand where we're currently working and serving on behalf of both Fiji National University (FNU) and TLC World, the latter of which, of course, means serving to promote God's amazing plans for everyone!*

*Well, this past month has gone by so speedily, but as we look forward with hopeful expectation to whatever God has planned for September, we cannot help but look back upon August with immense thankfulness, for it's been a month of joy in the Pounder extended household. Not only did it contain two birthday celebrations, three wedding anniversaries and a family reunion in Fiji, but it also saw yet another ordination in the TLC World family. See the photo evidence above!*

*Actually, August is a holiday month for many, but it's been business as usual in TLC World, for team members have continued to serve and bless others with their gifts. This means the prayer room has remained open and active and super recipes have been uploaded for website visitors who love to cook, and of course great music and messages have been released each week.*

*Here are links to each of the August messages.*

- [1. The implications of the fact that you are being watched as a Christian.](#)
- [2. What does The Great Commission mean for us today?](#)
- [3. God's favour awaits you but you need to know how to receive it!](#)
- [4. Don't be fooled by the promises of the prosperity gospel.](#)
- [5. Can everyone expect to be healed here on earth?](#)

*Before saying farewell for another month, we hope to leave and encourage you with a word we received during our visit to Calvary Auckland: "Plant, water and God will grow - you may never see the fruit but His promises will be fulfilled." It is a wonderful reminder of truth, and without a doubt, incredibly refreshing and freeing when we live out our lives in this way. It's particularly important to remember this when in ministry, especially if you find yourself beginning to count 'your successes', for it's giving and willing hearts that bless the Lord, not the results!*

*God bless you in the month ahead, and please never hesitate to ask for prayer when needed, for we know that blessing you through prayer is the best gift we can give!*

*Whoever sows to please their flesh, from the flesh will reap destruction;  
whoever sows to please the Spirit, from the Spirit will reap eternal life.
